

PEEL TECH

Peel Tech is a revolutionary innovative filtration system which helps food processors comply with the UK Waste Regulations regarding drainage pollution.

Install a Peel Tech Filtration System today and you will

- Avoid prosecution for illegal waste disposal
- Easy to clean with no more costly blocked drains
- Save money
- Add to your environmental credentials
- Captured food waste has the ability to be used for AD processing
- Have happy staff in an odour free prep area

The Peel Tech system has already been recognised as an award winning innovation receiving prizes locally and nationally including the prestigious multi VIBES Awards

Peel Tech Compact

Peel Tech Extra Compact S

Specification

Peel Tech Compact

Materials	
Main Box	Stainless Steel
Inserted plates	Stainless Steel
Pump Box	Stainless steel
Inlet Pipe	membrane
Water outlet pipe	Stainless Steel
Membrane	PVC Nylon
Dimensions	
Main box	700mm x 500mm x 600mm
Inlet pipe	70mm
Water outlet	32mm

Water connection ½ inch hose, minimum pressure 1 bar.

Please note
Most chip shop peelers waste pipe is 515mm from the floor but some may be 395mm, this would mean you would require a small stand for your peeler, please contact your potato peeler manufacturer regarding this. On average can collect the waste from 125kg of potato peelings.
